

## Restricted Product Policy

At Ausamics, we are committed to the safe and lawful distribution of research-grade and food-grade materials. Certain products listed on our website may be classified as restricted substances or dangerous goods under Australian law.

### Important Notes:

1. Research-grade products are for laboratory research use only.
2. They are not intended for human or veterinary use.
3. Food-grade products must be used in accordance with applicable food safety standards.
4. It is the customer's responsibility to ensure compliance with all applicable federal, state, and local laws and regulations.

### License or Permit Requirements:

Some products may require:

- A valid license or permit
- A registered ABN
- An end-use declaration or proof of institutional affiliation

Ausamics reserves the right to delay or cancel orders if required documentation is not provided.

### Unauthorised Use Prohibited:

Any attempt to use our materials outside of their intended purpose may result in legal action and reporting to relevant authorities.

### Need Assistance?

If you are unsure whether your purchase requires a license or have compliance questions, please contact us:
